Directions for Poster Artist QuickCopy Scanning and Printing

TIP!
The original document gets blow up exactly as is. Make sure the original looks good!

Poster Artist QuickCopy is for scanning and printing. You can scan in a 8.5"x11" and blow it up to poster size!

- Place your 8.5"x11" face down on the scanner platten glass.
- Click the preview button in Poster Artist QuickCopy to bring the image into the software. Always preview before printing!

The double arrow will move your crop line.

TIP!
Whatever is within the dashed lines will print. Extra white around your image will just be extra white paper on your poster

Next you need to adjust the crop lines.
To move the crop lines bring your mouse to the dashed line. Once you get the double arrow  click and drag whichever way you need the line to go

Adjusted crop line!

TIP!
Match "Media Type" with what type of paper is in the printer. The names may be listed differently on your computer. Please call the office if you have questions about paper type.

Choose your paper type

Next you need to select the Media Type (paper type) that is in your eColor Poster Printer.
You will select Coated Paper, Glossy Photo, Vinyl, or Adhesive
*the paper names may appear different on your computer. ie. Glossy Photo 170 GSM
*Vinyl and Adhesive may be listed as synthetic

TIP!
Do not change the line "Copy Size" always leave that at "Fit to Roll Width"
to Roll Width"
*Your poster will blow up exactly like original.
Great original = great poster
Poor original = poor poster

Smaller Poster

Larger Poster

Here is the exact size of your poster

Next you need to choose a poster size. Poster Artist QuickCopy will blow up your poster without distorting the image and always making one side 24".
*Select "Short Side" a larger poster will print. The shorter side of your poster will be 24"
*Select "Long Side" the half size poster will print, the longer side of your poster will be 24"

Click here to bring your image into Poster Artist, instead of printing right away

TIP!
Do not take your original document out of the scanner until the job is sent to eColor

Click here to send the poster to your eColor

Time to print!
Simply click the big Copy button and your image will be sent to the printer!
