Our Business

- **School-to-Work (STW) in Lebanon, located at Lebanon Valley College, has begun a new business venture with the E-color printer and the STEP program.**
- **This program provides necessary tools to establish a student-run business using the E-color printer.**

Our Business (continued)

- **The STW Classes uses collaboration and excellence as their vision for establishing this new mini business to provide unique designs and content.**
- **The E-color printer provides students with opportunities to use technology, practice financial literacy, and embrace creativity!**
