

Fat Heads

In this activity you will be creating a fat head for your favorite player!

Overview

Player fatheads have become very popular! There are two common types - individual smaller ones (12"x18" or smaller) for the student fan section or larger ones (18"x24") for parents to hold on senior night!

Material Needs

- Ink for printer
- Charlie Adhesive
- Large popsicle sticks
- Insulation/Foam Board

Software/ Instructions

- Canva
- Set your project in inches
- Upload high quality player images
- Remove the background
- Crop the image to face only
- Resize the image as large as possible
- Download the image
- Print on Charlie Adhesive
- Paste on foam board
- Cut out with art knife
- Add popsicle, if needed
