

Unit 1: Intro to Graphic Design

1.E AI: Is It Intelligence?

Estimated time – (2) 45 minute class periods, depending how deep of a discussion you want to occur on the topic in your class

Graphic Design: Copyright

IMPORTANT TEACHER NOTES – Go to <https://www.common sense.org/education> and log in to your educator account

Complete the following activity on the site

<https://www.common sense.org/education/digital-citizenship/lesson/artificial-intelligence-is-it-plagiarism>

Every thing you need is here – lesson plan, videos, slides, student activities. The 7 minute video on the slide show is more podcast based, and it is from 2022. I personally use this 9 minute video - <https://www.youtube.com/watch?v=bRqwTP2eKJY> by *Bloomberg Law*, more current.
